CRISTALLINO FOOSBALL TABLE

\$17,250

DESCRIPTION

A stunning gaming table that is a splendid piece of decor, this foosball table will make a statement in a contemporary home. Its structure is in 15mm-thick tempered extra-clear glass with polished, rounded corners. The players are in aluminum alloy with a team finished in polished chrome and the other in dark nickel. The field is fashioned of layered tinted crystal. The handles are in chrome-finished brass while the joints are in brass and stainless steel, both with a chrome finish. The goal nets are handcrafted of black fabric. Instructions and authenticity certificate included.
