CROCODENZA SIDEBOARD

\$24,990

DESCRIPTION

This modern and elegant sideboard boasts a strong character and minimalist sophistication. Its structure is in oak wood stained in wenge with an opaque finish. The top is lacquered in a black glossy finish, while the front panels are covered with dark brown Iguana crocodile leather that was embossed, creating a striking texture. The piece is equipped with three drawers with a finger pull system and four doors with a soft close mechanism. Inside, there is one shelf in each compartment. Outside, copper-finished bronze graces the details, handles, and the base.
