## CRYSTAL AND AMETHYST CEILING LAMP

\$11,060

### DESCRIPTION

This striking ceiling lamp will add a whimsical, luxurious accent to any home, particularly if classically furnished. Its structure is hand-crafted of forged iron and features a combination of straight and curved elements for a complex silhouette entirely covered in clear Bohemian crystal and amethyst stones. With a unique technique, the crystals are hand woven on the piece with the use of brass thread. The jewel-like effect that this method produces produces a luxurious and timeless.
