CRYSTAL CENTERPIECE IN CLEAR AND BLACK

\$1,570

DESCRIPTION

This harmonic clear and black blown crystal centerpiece will add an elegant accent to any table. The purity and transparency of the bowl, featuring a striking beveled mesh pattern, contrast with the black pedestal base. A decorative piece that provides both traditional and contemporary accent to any decor, this footed centerpiece is a perfect setting for fruit or floral arrangements on festive occasions or displayed as is to enliven a contemporary furnished living room.
