CRYSTAL ROUND VASE IN MALACHITE GREEN

\$770

DESCRIPTION

This handcrafted blown crystal vase of art deco inspiration has a unique shape with a solid beveled square pedestal base. Its shell-like silhouette has a magnificently engraved design of peacock feathers that culminates at the top with two demilune beveled edges. Ideal to display tall flowers to balance its rounded design, this exquisite piece can be displayed alone or arranged with pieces that complement its color to add an elegant touch to an entryway or table, both in classic or modern interiors.
