CRYSTAL TALL POTICHE IN CLEAR AND BLACK

\$7,130

DESCRIPTION

This unique decorative jar made of 'incamiciato' crystal, with clear and black superimposed layers, is topped with a lid, featuring a stunning crystal stopper in the shape of a coral. The handcrafted blown rounded body sits atop a conical base and features an elegant sandblasted decoration of stylized coral branches that emerge from the black surface with a striking visual effect. This remarkable piece will add a modern accent on a mantle, sideboard, or entryway.
