## CUBE NIGHTSTAND

\$4,190

### DESCRIPTION

Covered throughout with natural leather that has a striking, parchment-like finish that gives it a unique and ethereal quality, this nightstand is an exquisite addition to a contemporary or modern bedroom. The simple geometry of its silhouette is imbued with an organic, one-of-a-kind quality that makes this piece unique and precious. Either alone or combined with other pieces from the same designer, this elegant nightstand will make a statement.
