CUBE SIDE TABLE

\$730

DESCRIPTION

Part of the Hyper-Cube Collection, this sophisticated side table is expertly designed with a timeless simplicity that combines the elegance of marble with an industrial steel base. The gold galvanic treatment of the frame adds a luxurious aesthetic quality to this versatile piece while preventing corrosion, highlighting the smart proportions and minimal aesthetic. Sitting on the open, geometric frame, the black Marquina marble top is the perfect finishing touch with its unique veining. It is possible to customize with an additional shelf at the base, ask the Concierge for pricing details.
