CUBO PIGGY BANK BY PIERO LISSONI

\$5,270

DESCRIPTION

Designed by Piero Lissoni in 2001 and crafted of 925/1000 silver, this piggy bank is a stunning piece of decor that can be displayed as sculpture in a contemporary home. Its geometric silhouette is a perfect cube, whose identical sides are adorned with vertical slots. Playful and ironic, its shape allows it to store coins, but also to lose them, because of the many apertures on its smooth surface. This piece is part of a limited edition and can also be a well received gift.
