## CUP CENTERPIECE WITH CHERUBS

\$25,490

### DESCRIPTION

This splendid silver centerpiece has the unique and magnificent shape of a trophy, whose symmetrical shape is sinuous and luxurious. Its surface is smooth and is adorned throughout the base and at the top edge of the cup with an elaborate decoration of leaves and curls. The two handles are topped with two cherubs each riding a tempestuous wave, while the center repeats the marine theme with a cherub resting in a half shell. This object will produce an arresting effect in any environment.
