CUPBOARD WITH EEL SKIN

\$9,480

DESCRIPTION

This cupboard evokes the bold sophistication and charm of Art Deco and will be a precious addition to any room in the house. Extremely versatile, this piece can be used in a living room, entryway, or dining room. Its wooden structure is covered in authentic eel skin in a vivid yellow color. The top of the piece, the two feet on the sides, and the interior are finished in an elegant black lacquer. The leather covering this stunning object of functional decor is also available in other colors. Please ask the concierge for details.
