CURVED-BACK SIDE CHAIR

\$610

DESCRIPTION

A celebration of mid-century chic elegance and clean look, this side chair is the ideal choice to complement a modern dining table or a Scandinavian-designed desk. Its structure was crafted of beechwood and finished by the hands of expert craftsmen. The slanted legs support a cushioned seat that is partially enveloped by a curved backrest for a welcoming and comfortable experience. The neutral tones of this piece are a fresh and refined touch. Other colors and finishes are available upon request, please consult the Concierge for a full list and pricing.
