CUSI POUF IN WHITE MOHAIR

\$1,160

DESCRIPTION

A stool, an ottoman, and a side table in one stylish piece. The Cusi Pouf is an elegant and versatile accent piece available in several colors to adapt to any design need and can also be stowed easily when not needed. The shape pays homage to modernist Romanian sculptor Constantin Brâncusi, namely to his most celebrated work, Infinite Column, and it is embellished with two functional brass handles along one side.
