Gio Minelli

CUTTING HEIGHT VASE

\$3,060

DESCRIPTION

The sharp edges of the hand-oxidized brass plates comprising this vase are shaped to geometric perfection by a CNC milling machine. At the top which tapers, a hand-hammered copper insert is imbedded into it, adorning its the surface. The irregular shape and surface of the copper, contrasting with the polished finish of the brass create a harmonious combination, evoking a feeling of balance and order.

DETAILS & DIMENSIONS

- Material: Brass, Copper
- Dimensions (in): W 4.72 x D 4.72 x H 18.50
- Dimensions (cm): W 12 x D 12 x H 47
- Handmade In Italy
