CYLINDRICAL BEIGE ARMCHAIR

\$4,600

---

## DESCRIPTION

Wrapped in an elegant, beige-hued fabric, this sophisticated armchair, designed by MRZ Architetti, will imbue any living room, bedroom, or lounge area with modern glamour. The inviting silhouette is made of high-density, polyurethane foam-padded plywood with a curved back panel that hugs the cylindrical seat, the two kept steadily in place by means of satin steel nails. A circular, steel-finished plinth base (50mm thick) seals the design. Check optional upholsteries with the Concierge.
