CZECH WHITE CHAIR BY HERMANN CZECH

\$690

DESCRIPTION

This elegant and timeless chair gets its name by its creator, Hermann Czech. An ode to Thonet's legendary crafting heritage, the harmonious proportions of curves are fashioned of beechwood bent using steam. Distinctive for its use of a single solid pieces of wood to create the back and the arches supporting the seat - guaranteeing its firm structure - this particular chair is accented with feet in natural beechwood for a striking effect. This stunning chair is available in other colors, and with armrest, please consult the Concierge for details.
