D'ANNUNZIO SOFA 1930

\$11,680

DESCRIPTION

This exquisite and comfortable sofa was crafted entirely by hand and features a sturdy structure in multi-layer wood. Its soft seat features built-in elastics providing suspension. The high quality upholstery is in leather and the pillows and seat are filled with expanded polyurethane of different densities. Decorating the base and armrests of this piece are bronze studs that were applied by hand, adding a sophisticated touch. The square feet are crafted in solid walnut wood. Designed by Antonio Berdondini, 1930.
