**D'ANTIBES DISPLAY CABINET BY GEORGE SOWDEN**

\$10,540

## DESCRIPTION

A superb addition to a contemporary or eclectic interior, this cabinet was designed in 1981 by George Sowden. Its wooden structure combine a light, elongated base and rectangular top. Each element is highlighted by a different color: pale blue for feet and top, vivid yellow for legs and sides, and deep red for the doors of the cabinet which open to reveal a space divided by two shelves for versatile display space.
