DAFNE CHARGER

\$310

DESCRIPTION

This exquisite charger is part of the Dafne collection, named after one of the six rooms at the Galleria Borghese in Rome and inspired by Renaissance and Baroque art. This collection was first introduced at Milan Design Week 2018 and comprises handmade items in porcelain that boast a delicate gold leaf decoration around the rim evoking a garland of roses. The white center is enlivened by pale blue and pink brushstrokes, the same color combination that graces the perimeter of this piece, a superb addition to any elegant dining occasion.
