DAILY D02 DESK LAMP

\$300

DESCRIPTION

A perfect, distinctive desk lamp for a modern office, this elegant light fixture features a circular base (Ø16cm) and a long flexible arm (42cm total length) that allows for personalizing the light direction. Crafted entirely of metal with a matte black finish, the cylindrical shade houses the light source (LED 5W), that can be turned on/off through the touch dimmer switch on the base. Available with the option of punctual light with 30° lens or diffused light with acrylic diffuser (featured).
