DAILY D02 WALL LAMP

\$250

DESCRIPTION

Mounted on the wall with a round plate (Ø 10cm), this black metal lamp will create the ultimate minimalist look into a modern home, particularly next to a bed or enhancing a reading corner in a living room. The light source (LED 5W) is mounted on a flexible arm diffusing either a punctual light with 30° lens or diffused light with acrylic diffuser (featured). The touch dimmer on the lower part of the lamp allows for easy illumination control.
