## DAISY POUF

\$2,350

### DESCRIPTION

Boasting sartorial appeal and exotic flair, this luxurious pouf from the Giardino Botanico Collection will be a sophisticated accent in a minimalist living room or bedroom decor. Its wooden structure is upholstered in an inviting, olive-green fabric that highlights the golden backrest, whose delightful daisy shape defines the piece. The backrest is connected to a satin-finished brass base for stability. This pouf will infuse elegance into any decor, particularly when showcased alongside other pieces from the same collection. Please contact the Concierge for available customizations.
