## DAMASCUS STAINLESS STEEL CANDLE HOLDER

\$170

### DESCRIPTION

Made by hand to order, this stunning candle holder will infuse a striking ambiance to a contemporary interior, either alone or combined with the others in copper and brass to add a bouquet of unique hues. Its structure is in stainless steel with an insert in steel that marks its top. The external surface of the cylinder is polished and exposed to a naked flame to create the one-of-a-kind, kaleidoscopic effect that is unique to each piece.
