DESCRIPTION

This set of canvased mosaic glass panels in the Damask series is evocative of antique tapestries of dark forests and golden dragons. Its mystical swirls of deep green, gold and yellow colors will add an ancient and noble accent to any wall in the home. Its flexible design also allows it to be used on divider, wrap-around for columns and tables, and just about any other fantastical idea that comes to mind. Each panel measures: 42,5x50 cm.
