DARK SMOKEY QUARTZ LAMP

\$4,620

---

## DESCRIPTION

This unique and sophisticated lamp makes a bold statement in any home with its striking one-of-a-kind body crafted in hand-cut dark smokey quartz sourced in Madagascar and featuring countless inclusions, which add a freshness to the piece highlighting its natural qualities. The stone is believed to possess a strong power and is often used for the removal of negative energies. The lamp shade in creamy white gently diffuses light and the size of its nickel-plated brass minimalist base can be customized if necessary.
