DATE BLOWN GLASS MONOFLOWER VASE

\$3,950

DESCRIPTION

This vase is inspired by the popular date, a fruit symbolic of luxury and exoticism. The intense color of its pulp resemble the golden lights of the middle east. The date's rich shades of amber and its uneven texture lend themselves beautifully to the blown glass medium. Every vase is a unique piece created using the mouth blowing technique in the island of Murano.

DETAILS & DIMENSIONS

- Material: Murano Glass
- Dimensions (Ø-Height, in): 5.5 x 9.8
- Dimensions (Ø-Height, cm): 14 x 25
- Handmade In Italy
