DE-LUX A4 FLOOR LAMP BY GIO PONTI

\$1,105

DESCRIPTION

This stunning floor lamp, with a body in aluminum that boasts a gold varnish and a shade in white polypropylene, was designed by Gio Ponti, the versatile and prolific Italian master of design. One of his drawings of modular lamps has now become an object that can be lit and features a small conical base with a thin vertical structure. The shade displays visible hardware running diagonally on one of the sides. Contract and commercial certifications available upon request.
