DEAN MEDIA STAND

\$11,920

DESCRIPTION

An ideal complement to a family room or living room, this media stand neatly stores accessories for screens and TVs, while also adding surface space for a variety of objects. Its wooden frame has a sophisticated dark rosewood veneer that elegantly contrasts with the inserts in gold-finished metal and the four central drawer fronts, covered in beige leather. The structure comprises two open compartments above the drawers and two lateral doors. Upon request it is possible to have a different wood veneer and metal finish, and the cover of the drawers can be in fabric, please ask the Concierge.
