## DEAN NIGHTSTAND

\$2,480

### DESCRIPTION

Part of the Dean series, also featuring a chest of drawers, this nightstand is made entirely in santos mahogany wood, whose striking natural veins enrich its every surface, making it a one-of-a-kind piece. The simple silhouette of this piece features two drawers and small feet. Paired together with the chest of drawers, this nightstand will create a sophisticated and modern bedroom and will complement any bed, especially if modern.
