DECORATIVE GRID SMALL WALL LAMP

\$1,335

DESCRIPTION

A precious cover in antique gold leaf elevates the plush and geometric elegance of this sophisticated, grid-like wall lamp that will be an element of unparalleled charm in both residential and commercial interiors. The metal frame encompasses six decorative square elements in metal and grit, two of whom function also as lampshades for the two LED sources (each G9 and max 3.5 W) placed onto the central wall mount. Contract and commercial certifications available upon request.
