DECORATIVE GRID WALL LAMP

\$2,070

DESCRIPTION

An intriguing combination of industrial inspiration and geometric features, this exquisite wall lamp will dress any wall with its stylish accent. Expertly crafted of metal with a rust finish, its silhouette is composed of a central wall mount, to which are attached the four LED lights (each G9 and max. 3.5W) and three decorative squares in glass and grit per side. Other four squares are placed above the LEDs to serve as lampshades. Contract and commercial certifications available upon request.
