DECORATIVE PLATE WITH GEOMETRIC DESIGN

\$3,740

DESCRIPTION

Brimming with antique allure, this stunning majolica decorative plate is a testament to traditional majolica craftsmanship and intricate ornamental design. The large plate is marked by an ornate geometric design entirely handpainted in bold red, cerulean blue, and golden hues on a white background. The striking metallic luster is the result of the traditional three-part firing process in a wood oven. A statement piece in a modern- or rustic-styled home, this exclusive plate will be an impeccable addition to any home as well as a precious gift for special occasions. Only one available.
