### DECORATIVE PLATE WITH POPPY FLOWERS

\$1,630

#### DESCRIPTION

A captivating composition that effortlessly balances modernity and tradition, this decorative plate is defined by a bold use of colors and shapes. This majolica plate is entirely handmade and handpainted, showcasing a vibrant array of wild poppy flowers. The design's distinctive metallic luster is obtained by a third firing in a traditional wood oven. This piece will make an elegant accent on a side table, desk or console in a modern or traditionally furnished interior. Only one available, plate stand not included.
