**DECORI MODULARI SET OF 4 TILES #19**

\$145

## DESCRIPTION

A stunning use of color and line, these bold majolica tiles from the Classici Collection are inspired by the rich majolica tradition for which Sicily is famous. Drawing from the Moorish artistic tradition, these tiles are distinguished by a serpentine motif cutout from an ivory panel to reveal a scaley interior, all overlaid on a grid design. This combination of textures, hues, and forms resulting in a three-dimensional design. Entirely hand-painted and glazed, these tiles are best showcased either inside as a kitchen countertop or outside on a patio.
