\$145

DESCRIPTION

Characterized by bright colors and dynamic motifs, these majolica tiles boast an entirely handmade production that ensures its originality and elegance. From Classici Collection, these tiles feature an intricate frond-like design that is revealed in four tiles. Painted and glazed by hand, the design features canary-yellow fronds outlined in bright blue with matching white-blue swirls set on a red background. Crafted of terracotta mixed with ground volcanic stone, these tiles must be applied without grouting to ensure design continuity. Best showcased as a wall panel in a kitchen or patio.
