Glas Italia

DEEP SEA BLUE BOOKCASE BY NENDO

\$4,440

DESCRIPTION

Defined by a dynamic graphic and chromatic effect, this bookcase of the Deep Sea Collection by Nendo is made of thermo-welded color-laminated and transparent, extra-light glass. From top to base, as the spacing between the five shelves decreases, the color intensifies, creating a magnificent gradient of green-blue of great visual impact. This stunning bookcase is available also in gray.
