DEER BOTTLE OPENER

\$70

## DESCRIPTION

This striking bottle opener is made using traditional methods and is comprised of a metal ring in brass with a nickel finish and a handle in the shape of the head of a deer. The animal is made of acetate with a finish that resembles wood and its features are masterfully rendered to depict its noble pose, striking profile, and majestic antlers. Timeless and unique, this piece of kitchen and dining room accessory will also make a perfect gift for a lover of well crafted objects.
