DEFRAME RECTANGULAR DINING TABLE

\$8,565

DESCRIPTION

A striking geometrical weave is the defining element of this superb dining table's base structure. Crafted of steel, the base is composed of four sheets of different textures obtained with a laser-cut work. The splendid rectangular top of this piece is made of solid carbonized cedarwood. Please inquire with the Concierge for customization options, including the following sizes (in cm) 180x110, 200x110, 180x120, 200x120, and 220x120 available at additional cost.
