DELFINO STAND

\$10,825

DESCRIPTION

This magnificent stand can be displayed alone as a centerpiece or it can support a dessert, or be paired with the Delfini Caviar Bowl to continue the neoclassical decorative theme of the dolphin that here appears in one single animal supporting the bowl to give a touch of lavish elegance to the piece. The entire object is made in solid silver with exquisitely chiseled details. The bowl on top is in crystal and is attached to the structure.
