DEMETRA BROWN RECTANGULAR SHORT BASKET WITH LID

\$850

DESCRIPTION

This exquisite handwoven basket is made of eco-friendly leather uniquely braided with brown-colored strips to give it a relaxed and rustic look. This basket is perfect as a container for keeping a room stylishly casual, and in order. The durable material, which is easy to clean, adds a versatile quality to this piece and allows it to be used both indoors, in a bathroom or living room, and outdoors, on a patio or by the pool. Its unique texture and design will make a statement in every area it is used.
