DEMETRA BROWN RECTANGULAR TALL BASKET WITH LID

\$1,630

DESCRIPTION

Part of the Demetra series, this tall basket is made of high quality, durable, eco-friendly handwoven leather and features a lid of the same color. This versatile basket offers an elegant solution to all the storage needs around the house: in the bedroom to store blankets, in the living room to hold magazines, or by the fireplace to hold logs. The strong quality of the leather makes it also suitable for outdoors such as patios or pools, where this piece is sure to add a stylish touch.
