DEPERO'S DREAM COFFEE TABLE

\$10,250

DESCRIPTION

This stunning coffee table is inspired by the work of Futurist artist Fortunato Depero and his dynamic creations. The simple structure, with a delicate curve joining the top and base, is fashioned of honeycomb wood and entirely decorated with a series of inlays made of precious wood types, notably rosewood, beechwood, ash, and walnut to name a few. This elegant piece of strong visual act is a superb work of art that will make a bold statement in refined modern decor.
