## DESAFINADO 28-LIGHT CEILING LAMP

\$11,340

### DESCRIPTION

This captivating ceiling lamp features a linear design with a contemporary allure that celebrates a noble material, the Murano glass. Protagonists of this piece are the irregularly shaped globes of transparent, mirrored, milky white and pulegoso mouth-blown glass hanging from a rectangular plate of brushed nickel-finished metal. The result is a dynamic silhouette that can be customized in size, color and shape to suit any interior style. It can be used as an accent piece in a large living room, above a contemporary dining table and in a loft office.
