DESAFINADO CEILING LAMP

\$14,390

DESCRIPTION

This exquisite ceiling lamp features an innovative design whose contemporary allure is combined with the use of precious materials and traditional craftsmanship. The protagonists of the piece are the irregular mouth-blown Venetian glass spheres. The structure is in bronzed metal. The result is a sinuous silhouette that is dynamic and can be customized in size and shape. It can be used as an accent piece in a large entryway or reduced in size to fit a smaller area.
