DESIRÈ SIDEBOARD

\$18,330

DESCRIPTION

A stunning and versatile object of functional decor, this elegant sideboard will make a statement in a modern living or dining room thanks to its linear silhouette, airy base, and striking combination of finishes and materials. The rectangular body features four doors that open to reveal an interior space divided in compartments made of American walnut with inserts and base in metal with a satin brass finish. The top in Invisible Gray marble completes this design.
