DHORA BLACK AND WHITE ARMCHAIR BY MASSIMILIANO RAGGI

\$4,210

DESCRIPTION

The abstract upholstery in black and white creates a hypnotic effect on this elegant armchair by Massimiliano Raggi. Paying homage to mid-century style, this piece comprises solid beechwood legs finished in ebony color and slightly slanted and a base in lacquered MDF that support the poplar multi-plywood and micro-perforated metal sheet in metal (in the back). The padding is in different-density polyurethane foam. The seat is 40 cm high and the cover can also be in non-removable leather.
