Boralevi Firenze

DI BOSCO IN ROSCO RUG N.1

\$14,850

DESCRIPTION

Reminiscent of pop art designs infused with traditional Japanese print elements, this exquisite rug is characterized by bold colors that enhance the sinuous shapes dancing across the purple background. Vivid red clouds stand in sharp contrast with the pink lines that intersect to create a mesmerizing sense of depth and movement. Hand-woven using pure Tibetan wool, this modern rug is the ideal choice for a modern and contemporary interior decorated with primary colors.
