## DIAGONALE RED RUG

\$470

### DESCRIPTION

Crafted to be hung on a wall, this elegant rug is made entirely by hand using 100% Sardinian wool on a vertical loom, a tool used in the Nule area, by Sassari. Crafted upon request, it will be available 20 days after purchase. The top and bottom are equipped with iron bars that are useful to keep them in shape when attached to a wall, (but can be removed if the piece is displayed in other ways.) This piece boasts a slight irregular optical illusion in the horizontal decorative lines, obtained by weaving the patterns diagonally.
