## DIAMANT GATSBY TALL CHEST

\$10,980

### DESCRIPTION

Stately and versatile, this tall chest of drawers is a sculptural accent in the living room or bedroom, providing a modern touch in any interior space. Entirely crafted of wood with dark finish accented with chromed metal details, the frame is supported by two large side panels and features six drawers with chromed handles. On top, a hinged panel opens on the inside of the first drawer, both lined with soft, gray microfiber, to conveniently store personal items, accessories and jewels.
