## DIAMANTE DOPPIO VASE BY ETTORE SOTTASS

\$6,440

### DESCRIPTION

Entirely made in silver, this vase is part of the Diamante collection, designed for Del Conte by renowned architect Ettore Sottsass. The minimalist and sophisticated shape of this piece is timeless, thanks to the combination of the noble silver, crafted according to artisanal methods, and the contemporary silhouette of the vase. Either alone, or paired with the other Diamante Vase by the same designer, this object will suit any decor.
